The board, if satisfied upon examination that a building, tenement, room, or cellar in its town which is occupied as a dwelling place has become, by reason of the number of occupants, uncleanness, or other cause, unfit for such purpose, and is liable to become a nuisance or to be a cause of sickness to the occupants or to the public, may issue a notice in writing to such occupants or any of them, requiring the premises to be put into a cleanly condition, or to be vacated within such time as the board may deem reasonable. If the persons so notified neglect or refuse to comply with the terms of the notice, the board may cause the premises to be properly cleansed at the expense of the owner, or may remove the occupants forcibly and close up the premises, which shall not again be occupied as a dwelling place without its permission in writing.
